Example configuration

The screenshot shows a dark-themed configuration editor interface. At the top left is a house-shaped navigation icon. Below it is a button labeled '+ Add field'. The main area displays a hierarchical list of configuration fields:

- id: 1
- name: ""
- isOkay: true
- values (4)
- otherProperties (3)
- metaData

Each field item has three small icons on its right side: a pencil for edit, a trash can for delete, and a right-pointing arrow for more options.

Example configuration

The screenshot shows a configuration interface with a dark background. At the top left is a home icon. Below it is a section labeled '+ Add field' with a plus sign icon. The main area displays a hierarchical structure of configuration fields:

- `id: 1` (with edit and delete icons)
- `name: ""` (with edit and delete icons)
- `isOkay: true` (with edit and delete icons)
- `values (4)` (with edit, delete, and a right-pointing arrow icon)
- `otherProperties (3)` (with edit, delete, and a right-pointing arrow icon)
- `metaData` (with edit, delete, and a right-pointing arrow icon)

version: "1.2.3" edit delete

keywords (3) edit delete >

+ Add item

1: "one" edit delete

2: "two" edit delete

3: "three" edit delete

The screenshot shows a dark-themed user interface for configuration management. At the top left is the 'CONFIGIFY' logo. In the top right is a circular profile picture of a man. Below the header, the title 'Example configuration' is displayed. The main content area has a breadcrumb navigation path: 'metaData > keywords'. On the left, there's a sidebar with a '+ Add field' button and a list item 'version: "1.2.3"' with edit and delete icons. Below this is a section titled 'keywords (3)' with its own edit, delete, and a right-pointing arrow icon. To the right, under '+ Add item', there are three items labeled '1: "one"', '2: "two"', and '3: "three"', each with its own edit and delete icons. The entire interface is set against a dark background with light-colored text and icons.

A screenshot of a web-based configuration tool. The interface has a dark background. At the top left is the 'CONFIGIFY' logo. At the top right is a user profile icon. Below the header, the title 'Example configuration' is displayed. The main content area shows a navigation path: Home > otherProperties > 3. On the left, there's a list of three items, each represented by a placeholder {...}, a number (1, 2, or 3), and three small icons for edit, delete, and more options. On the right, there's a list of two fields, each represented by a placeholder [...] followed by a key-value pair (id: 3 or name: "Three"), and three small icons for edit, delete, and more options. The entire interface is contained within a light-colored card-like box.
